- We will finalize our membership by the end of the month. September 30. By then you need to do the following:
- Fill out the membership form
- Sign up for at least one event
- Pay your dues (\$95 on RevTrak)
- Fill out the parent-student agreement (Will be sent out on Band)

Membership

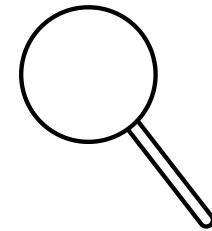

Membership Form

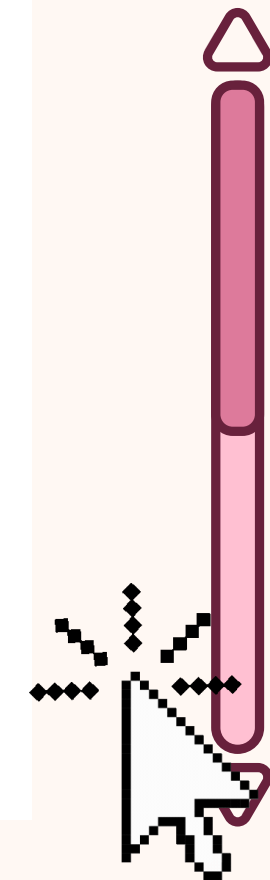

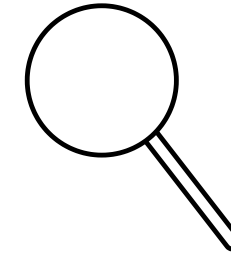

Sign-Up Form
(for people not here)

Year Ahead

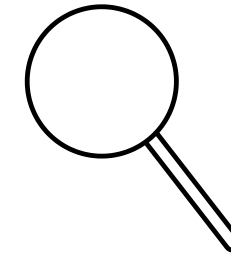

Officer Apps

- We're looking for some more officers! (10th and 11th graders)
- The roles are in communications and shadow officers.
- You will help facilitate meetings, post updates, and act as liaisons for the rest of the club.
- The application is due October 1st.
- You must be a TSA member by then to be eligible. You can apply with the QR code on the left.

Sign-ups

- If you still need to sign-up or change one of your previous sign-ups come see officers, each in a different part of the room.
- If you signed-up on the form we have not yet added your sign-up
- Finally, if you are interested in biotechnology design or Debating Technological Issues and are okay being put on a team with someone else come see me.
- Everyone else is free to go.
