

The background is a pixel art illustration. On the left, a large green tree with a brown trunk stands next to a grey rock. In front of the rock is a wooden signpost with two blank signboards. On the right, there is a smaller green bush with two small pink flowers. The sky is light blue with several white, pixelated clouds. The foreground consists of a row of brown, pointed shapes, possibly representing a field of crops or a path.

# What is TSA?

- TSA stands for Technology Student Association
- We host a lot of different events related to technology where you can compete to try and win!
- Some of our events include Coding, Drones, 3D-Modeling, Architecture, and even making music!

The background is a pixel art landscape. On the left is a large, leafy green tree with a brown trunk. On the right is a smaller, conical evergreen tree. The ground is covered in green grass and a row of brown, pointed shapes resembling a field of crops or mushrooms. The sky is light blue with white, pixelated clouds.

# Why do TSA?

- It's a lot of fun!
- Good for college applications
- You can learn a lot about engineering, coding, or technology
- You get to travel!
- You're introduced to a community of like-minded peers

The background is a pixel art illustration. On the left, a large green tree with a brown trunk stands on a patch of green grass. On the right, a smaller green tree with a brown trunk stands on a patch of green grass. The sky is light blue with several white, pixelated clouds. The ground is a row of brown, pixelated bushes or trees.

# Events:

- There's two-types of events: On-site and Project based events
- Project based events have you creating projects and submitting them at the conference. They typically involve interviews
- On-site events are tests, debates, or presentations you do at the conference date, and spend time preparing beforehand.

# Events:

- Coding
- Architecture
- 3D-Modeling
- Robotics
- Drone
- Solar Powered Cars
- Animatronics
- Biotechnology
- Tech Debate
- Tech Essays
- Tech Bowl
- Forensics
- Geothermal Technology
- Prepared Presentation
- Data Science
- Webmaster

The background is a pixel art illustration. On the left, there is a large, leafy green tree with a brown trunk. On the right, there is a smaller, more rounded green bush or tree. The bottom of the image features a field of many small, brown, pointed flowers or mushrooms. The sky is light blue with a few white, pixelated clouds.

# conferences!

- Regional Conference: February 12-13 Cinco Ranch HS
- State Conference: March 31- April 3rd Fort Worth, Dallas
- National Conference: June 23-27 Orlando, Florida (at Universal Studios!)

The background is a pixel art illustration. On the left, a large green tree with a brown trunk stands on a patch of green grass. On the right, a smaller green tree with a brown trunk is also on grass. The ground is a field of brown, pointed shapes, possibly representing grass or a field of crops. The sky is light blue with white, pixelated clouds.

# How will the year work?

- We will meet bi-monthly (2x a month) to keep track of progress.
- There will be various checks throughout the year to make sure you are working on your projects.
- Our next meeting will be on September 8th

# Communication:

Band will be our  
primary form of  
communication

Follow our  
Instagram for  
updates!

# Activity

- Use this QR Code to submit a two-truths and a lie, we will try to guess which one is the lie!

The background is a pixel art landscape. On the left is a large tree with a brown trunk and green foliage. On the right is a smaller, bushier tree. The ground is covered with a field of brown mushrooms. The sky is light blue with white pixelated clouds.

# Questions?

- Feel free to ask any questions!
- You can also start grabbing food. Please wait for us to dismiss you

The background is a pixel art landscape. On the left is a large, leafy green tree with a brown trunk. On the right is a smaller, more conical green tree. The ground is covered in a field of small, brown, pointed flowers or mushrooms. The sky is light blue with a few white, pixelated clouds.

**Thank  
You**
