

Expectations for Career and Technical Student Organizations (CTSO) 2026 -2027

We're excited to have your student participate in a Career and Technical Student Organization for the 2026-2027 school year! This letter outlines the expectations for both students and parents to ensure a successful and engaging experience for everyone.

Student Conduct

Students participating in CTSO events are expected to uphold the highest standards of conduct, representing themselves, their school, and Fort Bend ISD with integrity and professionalism. All students must follow district policies, event rules, and directions given by school staff. Failure to meet these expectations may result in disciplinary action, removal from the event at your expense, and loss of future participation privileges.

While attending CTSO events, students must adhere to the following guidelines:

- Maintain respectful behavior and language.
- Stay with the campus group at all times when traveling to and from event activities.
- Observe all established meetings and curfew times.
- Do not use or possess drugs, alcohol, tobacco, or vapes.
- Avoid any form of cheating or the use of unauthorized materials or methods to gain a competitive advantage.
- Do not enter hotel rooms of students of the opposite gender.
- Do not enter the rooms of students from other districts or allow them into your room.
- Remain in designated areas unless you have prior approval to leave.
- Do not use swimming pools or other bodies of water.
- Communicate any concerns, issues, or questions directly to the CTSO advisor.

Travel Expectations

When traveling with a CTSO, students represent Fort Bend ISD. Therefore, all district policies and procedures apply. In addition to the CTSO code of conduct, students must also adhere to the following:

- Students must be passing all of their classes to be eligible to travel.
- During non-competition time, students must remain with their assigned adult chaperone at all times.
- Students must always travel in groups of two or more fellow FBISD students.
- Students are prohibited from using taxis, rideshare, or other non-competition-

related transportation without an assigned chaperone.

- Students must follow the daily curfew set by the CTSO advisor(s).

If a student is sent home for any reason before the trip ends, their legal guardian will be responsible for all associated travel expenses. The same applies if a student is disqualified from a competition.

Financial Responsibilities

- CTSO funding is provided only if your student is enrolled in an appropriately aligned CTE class. Students not enrolled in an aligned course will be financially responsible for their participation in the CTSO.
- CTE competition funding is limited to one CTSO per student per school year. Once a student receives funding for one CTSO, they are not eligible for additional funding for travel with a second CTSO during the same school year. Additionally, students attending solely as delegates, alternates, or observers are not eligible for CTE competition funding. Officer leadership events are also not funded by the district.
- If your student does not travel for any reason after fees have been paid, you must reimburse the district's CTE department for all non-refundable expenses. A hold will be placed on your student's account until all fees are reimbursed to the district.

Parent/Guardian Consent for Student Participation

According to Texas Senate Bill 12, all school districts must obtain written parent/guardian consent for a student to participate in any school-based club or organization. Please complete and return the consent form below to ensure your student can participate.

Student Name: _____

Campus: _____ Grade: _____

Organization: [Enter the CTSO Name]

Please check one option below:

___ Yes, I give permission for my student to participate in this organization.

___ No, I do not give permission for my student to participate in this organization.

Parent/Guardian Name (Print): _____

Signature: _____ Date: _____
